RoHs, WEEE

Dear Ladies and Gentlemen,

All our standard products comply with the EU directive WEEE (2002/96/EG) as of 26.06.2006.

Regarding EU directive RoHs (2002/95/EG) we can guarantee the planned changes with the below-mentioned limits:

- Cadmium (Cd) < 0,01 weight percentage in homogeneous material
- Cr(VI), Pb, Hg, PBB, PBDE < 0,1 weight percentage in homogeneous material

As an additional service, we are also providing a database with detailed information about the individual materials and EC material safety data sheets in accordance with 91/155/EEC.

We shall be pleased to answer any questions you may have.

Yours faithfully

Odenwälder Kunststoffwerke
Gehäusesysteme GmbH
